A Message from Andrew

In the by-election of 2011, and again in the general election of 2013, you put your trust in me, and elected me as a strong member of Mount Pearl City Council. Over the course of my time on Council, I have worked hard in six priority areas in order to move our strong and vibrant city forward. I have worked diligently in an effort to help you build the community in which you want to live.

I have a genuine passion for the City of Mount Pearl. It is the place that I am proud to call home. It is all about:

FAMILIES OF ALL KINDS
I am committed to finding practical and effective methods to address the current shortage of affordable housing, and I intend to work with all of the key stakeholders to address this pressing need. I believe that we must refresh and refurbish our parks, our trails and our sports facilities, so that all residents can enjoy their neighbourhoods to the fullest. I want to help all sectors of the population, including youth, seniors and people with disabilities get what they need from their Council.

COMMUNITY SPIRIT AND VOLUNTEERISM
I firmly believe in Mount Pearl's continued independence, and I plan to continue to work hard to protect our interests and our quality of life. I believe that our tremendous volunteer community should be celebrated, and I pledge to further my long-standing relationships with many of our service clubs and organizations, including the Mount Pearl Sport Alliance, the Association for the Arts in Mount Pearl and the Youth Action Team. I intend to work with Council, City staff, the RNC and Municipal Enforcement to develop creative strategies to combat vandalism and litter.

BUSINESS DEVELOPMENT
I want to help attract new businesses, and help existing business to grow, by creating and supporting business-friendly policies within Mount Pearl. I intend to continue to support and promote the Mount Pearl Paradise Chamber of Commerce and its members. I am committed to seeing Council's long-term plan for improvements to the Donovan's Business Park through to a successful conclusion.

RESPONSIBILITY
Mount Pearl is our city, and I take my role as your representative on Council very seriously. I want to maintain good relations with our first class City staff, and ensure that we continue to make the sound financial decisions that have allowed us to avoid increasing our residential and commercial tax rates since 2014. I am committed to continuing to look at issues through a green lens, and I pledge to continue to support environmentally-friendly initiatives such as our leak detection program and our efforts to clean up the Waterford River. I will listen carefully to the concerns of citizens, and work hard to ensure that all residents receive the services that they deserve.

SAFETY
It is important to me that our City is well-lit and that our crosswalks are well-marked. I want to work to ensure that fire hydrants and other important infrastructure are in good working order in case they have to be used.

TRANSPORTATION
I believe that it is critical that our excellent snow clearing record be maintained, and that we always strive to find ways to improve. We must reinvest in our roadways, so as to ensure traffic and pedestrian safety. I plan to help improve communication with the people of Mount Pearl regarding future road work, investing in upkeep with as little disruption as possible. I want to continue to work with Council and staff to explore new and improved public transportation options.

I am proud to be a part of your Council. I am proud to be a part of a team that is moving Mount Pearl forward. On September 26th, please vote. I respectfully ask for your support.

Sincerely,

Moving Mount Pearl Forward.
